

# Mexican Riviera 2010-2011 Overview

## Mexican Riviera — Sunny skies and colorful shores

Few destinations are as festive as the ports of the Mexican Riviera. And when you choose a south-of-the-border cruise with Princess®, you'll enjoy a relaxed atmosphere of "fiesta". Choose from either a three, four, or seven-day sailing roundtrip from Los Angeles or a 10- or 11-day voyage from San Francisco, with wonderful, sunny destinations on each itinerary.

**From Los Angeles to Los Arcos.** Sail for a week from Los Angeles on Sapphire Princess®, and you'll be treated to Pacific-coast Mexico at its best. Explore the charming Spanish colonial streets of Puerto Vallarta, enjoy wide swaths of white sand beach and incredible shopping in Mazatlán, and marvel at the natural splendor of the Los Arcos rock formations off the Baja fishing village of Cabo San Lucas.

**Golden Gate Getaways.** Escape to the sensational ports of the Mexican Riviera roundtrip from San Francisco. 11-day sailings include visits to Acapulco and Zihuatanejo/Ixtapa, while 10-day itineraries feature calls in San Diego and Catalina Island.
